Garbage Dispute Settled Here As Contract Signed

Six Weeks Controversy Ended As Rausch Takes Over

The Truckee garbage detail, which has been fouled up for the past six weeks, has been straightened out through the consistent efforts of the Truckee Sanitary District board of directors.

At a special meeting yesterday morning, Wallace Watkins was relieved of all responsibility in hauling the garbage, which he had been doing under contract with the board, and Paul Rausch entered into a contract with the board to take over the work.

The discussions started six weeks ago when Watkins was advised by that board that his services were no longer required and that his contract was being cancelled. Watkins declined to accept the directive and continued to haul. At the same time, the board employed Floyd Appledaile as driver of the garbage truck and during May the service was duplicated, as the board continued efforts to reach a satisfactory solution.

A series of meetings resulted and various proposals and counter-proposals were offered without result. At meetings Tuesday night and yesterday, the board went over resolutions and contracts and finally all parties agreed.

Rausch will continue to pay the district $108.50 per month for the franchise, the same amount paid by Watkins. He will furnish his own equipment and all other expense, leaving the board concerned only with him living up to the conditions which provide for regular pickups, establishes rates and other conditions.

Rausch takes over immediately and asks that the public cooperate with him in keeping the service adequate at all times.

KINDERGARTENS ARE ASSURED FOR DISTRICT SCHOOLS

The schools of the Tahoe-Truckee Unified School District recently completed a pre-school survey for the 1951-52 school year. This survey showed the following:

Children 3 years to 4½ (pre-kindergarten): Tahoe Lake, 9; Truckee, 8; Kings Beach, 8; Donner Trail, 7.

Children 4½ to 5½ years (kindergarten): Tahoe Lake, 12; Truckee, 25; Kings Beach, 5; Donner Trail, 2.

Children over 5½ years (first grade): Tahoe Lake, 9; Truckee, 17; Kings Beach, 7; Donner Trail, 2.

On the basis of this survey, kindergartens will be established in the Tahoe Lake School, Kings Beach School and Truckee Elementary beginning with the fall term of 1951. In the Tahoe Lake and Kings Beach schools, kindergarten and first grade will be under the direction of one teacher. In the Truckee school it will be necessary to have a kindergarten teacher as well as a first grade teacher.

School Project Inspector Is Father of Baby Girl

Mr. and Mrs. William Cooley, the former employed as inspector on the new Tahoe-Truckee High School plant, are the parents of a baby daughter born Monday night at Sacramento. The little girl weighed eight and a half pounds.

The Cooleys, who will make their home here during the school construction, are also parents of a son.

O.E.S. Grand Matron Due Here on June 30

For the official visit of the worthy grand matron to the Beckwith Chapter, Order of Eastern Star, a group of members of the Truckee Chapter, including Mr. and Mrs. George Reiners, Mr. and Mrs. Leon Barker, Mr. and Mrs. Dan Anderson, Dorothy King, Margaret Ward and Mildred Burch, drove over.

The worthy grand matron, Lois Blodgett Tamba, will make her official visit to the Truckee Chapter on Saturday night, June 30. All members are invited to attend the reception.

Reports Erred, Gilbert Well and In Japan

TAHOE CITY— Reports received here recently to the effect that Capt. Robert Gilbert, former principal of the Tahoe Lake School, was ill in a hospital in San Francisco were in error. Mrs. Gilbert writes from her home in Oroville that Bob is enjoying good health and is active training his company for combat in Japan.

Gay 90's Revue Slated For Tahoe Saturday Night

Under sponsorship of the Truckee 20-30 Club, as a benefit for the Cub Scout fund, Mrs. Gladys Pedley and her Gay 90's Revue will present their entertaining variety show at the Tahoe Lake School in Tahoe City Saturday evening at 8 o'clock.

The show made a big hit here with the well-trained local talent in songs, dances and colorful scenes from the gay 90's. Nearly 30 people are included in the cast and it is more than likely that many Truckee people will travel to Tahoe to see the show again.

Mrs. Pedley said she has been approached to take the show to Reno at a future date, but whether or not this can be arranged is still being considered.

ROBERT SEIBOLD IS NOMINATED TO HEAD LIONS

Robert Seibold was nominated last night to be next president of the Lions Club. Other nominees are Bill Bechdolt, first vice; Angelo Besio, second vice; E. K. Stice, secretary; R. A. Scott, treasurer; Jay Richards, tailtwister; A. M. Anderson, Lion tamer; H. T. Langille and Stan Martin, one-year directors; C. R. Heller and Roy Waters, two year directors.

Mrs. Gladys Pedley spoke on behalf of the mobile blood bank due here June 12 and asked the cooperation of members. Captain G. C. Todd of the military police was a guest and R. C. Gifford presided.

Next week members will attend the charter night of the Lake Tahoe Lions Club, being sponsored by the Truckee club.

$100,000 SUIT FILED AS AFTERMATH OF APRIL WELL DEATH

Felix Trujillo's tragic death on April 22 in a well at Soda Springs resulted this week in a $100,000 lawsuit.

The action was brought by Trujillo's widow, Socorra, and their infant daughter Peggy of Norden against Harry Pratt, owner of the well and an adjacent filling station. It charges that carelessness and negligence by Pratt caused Trujillo to lose his life.

Miguel Rios, who was working with Trujillo, was hospitalized after a vain attempt to rescue Trujillo, according to witnesses. Pratt himself engaged in the rescue attempt, stories at the time said. He pulled Rios to safety and was attempting to aid Trujillo when he was likewise overcome.

S. P. Denies Blame for Death of Section Hand

The Southern Pacific Company filed its answer this week to a $100,000 suit brought against it by reason of the death January 29 of Fidel Santoyo, a section hand.

The railroad denies blames for the accident in which a train struck Santoyo while he was working east of Troy. The company says Santoyo himself was careless and negligent and for this reason was wholly or partly responsible.

This County May Have Own Air Force Unit

An opportunity for Nevada County boys to enlist in a separate unit of the Air Force is being presented by Sgt. I. M. Kleinman, recruiter at Grass Valley.

The unit, to be designated as the Nevada County Gold Nuggets, will be composed of 70 men who will train at Lackland Field in San Antonio, Texas. The swearing in of the group will take place July 4th at Grass Valley and the boys will leave immediately by bus for Sacramento for induction.

Graduates from the high schools are expected to make up the bulk of personnel.

Petronis at Wedding—

Mr. and Mrs. P. Petroni returned from Oakland Monday after they had been guests at the church wedding of a nephew and the reception which followed.

First Forest Fire Controlled After Fight Near Here

Patrols Maintain Vigilance To Halt Possible Recurrence

The Truckee district of the Tahoe National Forest experienced its first forest fires this week and patrols were still being maintained to prevent damage in excess of the 60 acres already blackened.

The first fire was reported Monday when an old sawdust pile on the one-time Winne Smith mill on Dry Creek near the Sierra-Nevada County line broke into flame from spontaneous combustion and spread into nearby brush and timber land.

The second fire started near logging operations five miles up on the Carpenter Valley road, where half an acre was destroyed before being brought under control.

Both fires were controlled by the suppression crew from the Truckee Forest Service office, under the direction of Ranger E. E. Boehm and Fire Control Officer William Curran, aided by volunteer and recruited fire fighters from Truckee.

DeLISLE ASSUMES OWNERSHIP OF GEORGE'S CAFE

Ernest A. DeLisle, for the past eight years in business in Truckee, this week announced that he has acquired George's Cafe, a popular local restaurant operated for many years by the late George Andrich.

DeLisle purchased the equipment and business from the Andrich estate, being administered by Mrs. Anton Mahne, and is making preparations to reopen the establishment on Wednesday, June 13.

At the present time, carpenters, painters and other craftsmen are engaged in remodeling and renovating the cafe which in the future will be known as the M and E Coffee Shop. Major improvements will be made during the fall months, DeLisle said. The new owner is not new in the restaurant business, having been associated for many years in this type of industry. In recent years he has been a partner with Reginald Smart in Goodfellows Coffee Shop and will retain his interests there. Prior to that he was manager of the Sierra Tavern, taking that position upon his arrival from San Francisco in 1943.

A competent staff will be engaged, DeLisle said, to provide excellent foods in a clean, friendly atmosphere.

Abandon Effort to Raise Boat Accident Victim

Dragging operations at Independence Lake to recover the body of Frederick C. Cantwell, 42, Reno, were discontinued Monday at the request of relatives.

The body of Chester Evans, 30, also of Reno, was previously recovered by a grappling hook, 250 yards off shore in 160 feet of water. The hook was being used by Duane Ramsey, 29, brother in law of Cantwell, who with Lee Hunsinger of Bakersfield was in the boat fishing with Evans and Cantwell when it was swamped by waves May 27. Hunsinger and Ramsey survived.

Since the mishap, relatives and friends of the two victims had continued to search for the bodies. Evans' body was brought to the Truckee Colonial Mortuary and later taken to Reno.

Vacation Bible School Whittled to One Week

Vacation Bible School at the Truckee Community Methodist Church will begin on Monday, June 11, at 9:30 a.m. and will be held daily for one week only, not two weeks as previously planned. The daily sessions will last from 9:30 until 11:30 a.m. and a 25 cents registration fee is required.

Back to Texas—

Major C. C. Campbell expected to leave this week for Dallas, Texas, where he is stationed, following the recent last rites for his mother, Mrs. Eliza Campbell.

Sun Beams

by Walter M. Barrett

Residents of this area have a real opportunity next Tuesday to make a major contribution to the boys fighting in Korea when the mobile blood bank will be stationed at Capitol Hall starting at 10 a.m. The visit is sponsored by local Girl Scouts and it is hoped that at least 200 people will respond. Local service clubs and other organizations have volunteered to participate. Anyone who has not been contacted but who wishes to aid in this cause may contact Mrs Gladys Pedley or one of the Girl Scouts.

ABBOTT IS NAMED AS DIRECTOR OF LOCAL HOSPITAL

A. E. Abbott of Kings Beach was appointed as a director of the Tahoe Forest Hospital District at the meeting of the board Friday evening in the offices of Dr. L. D. Nelson. He replaces Ted D. Barrett who resigned the office and has moved to Reno.

Abbott was highly recommended for the position by various organizations and individuals from North Tahoe and in keeping with a "gentlemen's agreement" to have representatives from all parts of the district, the selection was unanimous.

The board discussed routine matter pertaining to the construction of the new hospital half a mile west of Truckee in Gateway Park. The members voiced the opinion that the hospital will be completed during August if the present schedule is kept.

Plans for landscaping, driveways and various other incidentals were discussed without action.

Furnishings, which are on the scarce material lists, are being received and stored pending completion of the hospital when they will be on hand for immediate use.

The board has changed the hours of the regular meeting the first Friday in each month and will meet at 7:30 instead of 8 o'clock, C. R. Heller, president of the board said. All members were present Friday.

JOHN RAU ELECTED AS COMMANDER OF LOCAL LEGION POST

Tuesday night John Rau was elected commander of Truckee Post 439, American Legion, to succeed H. L. (Bud) Owens. Rau has long been active in affairs of the post, just completing his second term as chaplain and having managed the Legion-sponsored basketball program since its inception.

Other officers-elect, to be installed in July, are C. P. King, first vice commander; John Street, second vice; Frank Giovannoni, sergeant at arms; Tom Borneman, chaplain; E. A. Parker, service officer; Douglas Barrett, finance officer; H. F. Cardinal, adjutant, and William Bottel, historian.

During the meeting, discussion was heard on the post's Boy Scout and Boys' State activities. Refreshments were served following the session.

Jennings Marks Birthday On Truckee Fishing Trip

Mr. and Mrs. Merle Jennings were here on Monday, June 4, where they celebrated the former's birthdate. Jennings, superintendent of the Sacramento Division of the Southern Pacific Railroad Co., has made the yearly visit for the past 15 years, catching a limit of fish on his natal date from the Truckee River.

Senate Passes Salary Bill for This County

The state senate has passed and sent to the assembly SB 1154 by Sen. H. T. Johnson, which would raise the salary of the Nevada County auditor from $1200 to $1800 a year, the district attorney from $3100 to $6000 and members of the board of supervisors from $2200 to $3000.

Cancer Drive To Open Here Under Club Sponsorship

James Leamon Spearheads Effort on Behalf of 20-30

The Cancer Drive in this district gets under full steam Monday, according to Chairman H. G. Loehr, who announces that the 20-30 Club will sponsor the campaign with an undetermined goal but high hopes for a generous response.

James A. Leamon will chairman the 20-30ians and is supported by every member of the club. The chairman is getting out form letters and will place coin receivers in prominent locations throughout the area so that everyone will be given an opportunity to contribute.

"There is little use in discussing the needs and the importance of the drive," Leamon said. "We are all familiar with the fight being waged to control and stamp out this killer, which is a respecter of none. We of the 20-30 Club are proud to head the drive and earnestly ask your wholehearted support."

Each of the letters being mailed out will contain a self-addressed envelope for returning contributions and those not receiving letters are asked to contact Leamon at Rasco or leave their donation with any member of the club.

It is hoped that the drive can be brought to a successful conclusion by the end of this month.

MISSING AIRCRAFT IS FOUND CRASHED NORTH OF HERE

An Air Force C-47 cargo plane with the bodies of four men was found demolished near Independence Lake Friday by three Reno men aiding in the search for the bodies of two men drowned in a fishing mishap May 27.

The plane had been missing on a flight from Hill Air Base in Ogden, Utah, to McClelland Field, Sacramento, since October 26. The wreckage was still partly covered by snow when found and a crew of men from McClelland arrived to remove the bodies.

Missing with the plane were M-Sgt. Thomas Rafferty, 44, Sacramento; Lt. Richard N. Luse, 26, North Sacramento; T-Sgt. William A. Larson, Sacramento, and a passenger, Pvt. Dan L. Young, Ogden.

The missing plane was the object of an intensive search here shortly after it was reported missing.

Eagles and Auxiliary Will Sponsor Dance

The Fraternal Order of Eagles and the Ladies Auxiliary will give a hard times dance in the Capitol Hall on Saturday evening, June 30.

The affair will be open to the public and a small sum will be charged to help defray expenses of the annual picnic to be held by the organizations in August.

Costumes may be worn and the women will serve refreshments.

Women's Club of Tahoe Luncheon on June 14

Mrs. Barney Phipps, president of the Wyethia Club, announced this week that the Woman's Club of Tahoe has extended a cordial invitation to members of the local club to attend the one o'clock luncheon to be held in Tahoe Inn on Thursday, June 14.

Members of the losing B team in the membership drive were hostesses at the regular meeting of the Wyethia Club Friday evening, June 1, and moving pictures were shown for entertainment by William Englehart.

Rays Entertain—

Mr. and Mrs. C. H. Ray have arrived from Colfax and had Mr. and Mrs. A. L. Bradley of Roseville, Sam Bradley of Marysville and Thomas Roff of Ada, Okla., as their weekend guests.

Pabsts are Hosts—

Mr. and Mrs. John Pabst of Boca were hosts to Mr. and Mrs. Delbert Elder, Mr. and Mrs. Herbert Parker, Mr. and Mrs. Lloyd Clark and children, all of Reno, during the weekend.

Quincy To Play Baseball Sunday On Truckee Park

The Truckee baseball squad, playing independently this summer, will swing into action on the local diamond Sunday at 2:30 when they meet the Quincy Red Sox of the Feather River league.

This colored team is tied for first place in their league, having won three and lost one. They are a snappy outfit and will give the locals a real workout, Business Manager R. N. Little predicts.

Immediately following the game, Little and Tom Dolley, team manager, hope to announce a series of games for the coming Sundays, with Portola a definite contestant and other teams signifying their desire to meet the Truckee crew.

Either Frank Giovannoni or Karl Kielhofer will start for Truckee with "Nuke" Freitas catching.

"CITY HALL" HERE ON MAIN STREET IN NEAR FUTURE

Truckee is soon to have a "city hall."

Under an agreement between the board of supervisors and James Sherritt of Soda Springs, the latter has leased a store building on the main street in Truckee to the county to be used primarily as a justice court for Justice of the Peace F. W. Wilson.

However, Supervisor H. G. Loehr said other public officials, including Constable N. F. Dolley and Deputy Sheriff Wesley Fair and others transacting county or district business may make full use of the building. Provisions for such a court room is required under the law.

BRITAIN'S CONSUL MAKES CIRCUIT OF AREA'S CLUBS

John Mitcheson, British consul general in San Francisco, was the guest speaker at the meeting of the Truckee Rotary Club Monday evening. This was the annual inter-city meet with 25 Rotarians from Loyalton, who chartered a bus to make the trip.

Mitcheson addressed the Tahoe City Rotary Club at their noon meeting at Homewood Resort or Tuesday and will be guest speaker at the inter-city meet between the Truckee 20-30 Club and Auburn 20-30 tonight at Nyack Lodge. The local 20-30ians are hosts for the evening. Rotary's President Jim Sherritt will introduce the consul general.

The meeting of the local Rotary on June 11 will celebrate charter night and the demotion ceremony of the president will take place.

L. A. Firm Top Bidder For Highway 40 Tract

One hundred and sixty acres of land near Hirschdale was sold this week at a tax auction conducted by Miss Elma Hecker, county tax collector, to Jeanfray Corporation of Los Angeles for $1,101, a dollar more than the $1,100 bid submitted by Herstle Jones of Nyack.

R. A. Scott of Truckee, whose bid of $500 some time ago caused the property to be put up for auction, found himself outdistanced in the bidding. Taxes had been delinquent since 1902 and amounted to $1,149.23.

Chamber Will Decorate Truckee for July 4th

Plans for decorating the town for Independence Day will be discussed at a dinner meeting of the Truckee Chamber of Commerce to be held this evening at 7 o'clock at The Sportsmen.

Reg Smart, president of the group, announces that flags and bunting have been received to dress up the business section and plans for uniform decorations will be made.

Every member of the chamber or those interested in the welfare of the community are invited to attend the session.

Wednesday Visitors—

Mrs. Bob Sala and Chester Zunino were Memorial Day visitors here.

District Schools Will Graduate 41 At Lake Saturday

Numerous Awards To Be Given Outstanding Scholars

At impressive exercises to be held Saturday afternoon at 2:00 o'clock at the Outdoor Chapel near Tahoe City, 11 high school and 30 elementary school students will receive diplomas from the Tahoe-Truckee Unified District.

The principal address will be delivered by Frank B. Lindsay of the state's secondary school system and the diplomas will be awarded by Walter A. Loynd, president of the board of trustees. A program has been arranged and will provide fitting ceremony for the noteworthy occasion. A copy of the program will be found on page seven of today's Sierra Sun.

Special awards will be made to honor students, with Mary Boyce of Kings Beach being the recipient of the Bank of America scholarship award, the Babe Ruth Foundation Sportsmanship award and one of the three Lions Club speakers' awards. Simon Dominguez of Truckee will receive the Babe Ruth award for boys and Darlene Frye of Tahoe City and Sheldon Jones of Soda Springs will also share in the Lions awards as speakers.

The high school graduates include Mary E. Boyce, Simon Dominguez, Mike Goicoa, Fred Holt, Carole Hunting, Mary Ann Love, Jack Miller, Howard Painter, Ray C. Sorensen, Blodwyn E. Tiffee and Wilma Jean Todd.

The 13 graduating from the Truckee Elementary School are Edwin Bottel, Easton Buehler, Janice Lee Buehler, Eugene C. Carrillo Jr., David Miles Germain Jr., Irene Goicoa, Albert M. May, Billy Lee McLain, Sharon E. Pace, Roberta Lee Peden, Berle Regina Reynolds, Mary Ann Tonini and Ernest C. Towler Jr.

The Tahoe Lake Elementary School will graduate Rosetta Mae Bosen, Betty Danley, Lewis Fellows, Arvell Hanson and Robert E. Sach.

From Kings Beach Elementary the nine grads are Diana Lee Abbott, Joellyn Ashton, Phyllis Astle, Carroll Ballard, Richard Mandeville, Ellamae Mercer, David Miles, Loma May Sorensen and John Lee Van Hooser.

Albert Alden, Shirley Craddock and Estella Marles Rau are the graduates from the Donner Trails Elementary School.

Sheila Barrett Honoree At Party on Natal Date

The fourth birthdate of Sheila, daughter of Mr. and Mrs. Douglas Barrett, was celebrated with a party for the little girl Sunday afternoon, June 3. Gifts were opened and refreshments served, including a heart shaped white and green frosted cake.

The following guests enjoyed the afternoon: Nona Rae Coff, Alice Bertolozzi, Diane Kasp, Karen Smart, Karen Walker, M... and Mrs. William Preston a... sons, John, Richard and Robert, Mr. and and Mrs. Robert Leam... and children, Barry and M... Mr. and Mrs. Walter Barr... Kathryn, Phyllis and Patr... Barrett.

Joseph Given Permit For New Store Building

The San Francisco regional office of the National Production Authority this week announced it has approved 82 construction projects during the past two weeks, including a store building at Gateway Park Shopping Center by Richard Joseph, to cost $15,000.

Joseph said the store will supplement the ones now fully occupied in the area one mile west of Truckee.

Mrs. Roberts Employed As Verdi Peak Lookout

Mr. and Mrs. Raymond Roberts will move to Verdi Peak, 18 miles from Truckee, on July 1 where the latter will take up her duties as fire lookout for the U. S. Forest Service. In October the couple will leave for North San Juan where they have bought a ranch, renting their house on River Street.

Sacramento Firm Bids Low for Highway Job

Harmes Brothers of Sacramento submitted the low bid for repairs and improvement of Highway 40 between Donner Summit and Donner Lake, with an offer of $129,658.50, according to the Capitol News Service.

From Oakland—

Mrs. W. P. Mitchell and Mr. and Mrs. Jack Davis of Oakland visited Mr. and Mrs. A. E. Burlingham during the weekend. Mrs. Burlingham is a sister of Mrs. Mitchell.

North Tahoe

by THELMA BURROUGHS

Hats off to Gil Ballard and those workin with him through often weary and discouraging days, combating delays, never losing sight of the finished project that has developed into North Tahoe's most beautiful, strictly modern building, the Yacht Harbor, at Carnelian Bay. Nell Barkhurst has drawn the roll of bookkeeper for this new concern, officially known as the North Tahoe Marine Supply Company.

That new front office on Pappy Brook's North Tahoe Sportsman is anther ultra-modern effect gracing North Tahoe's shores.

Pearle and Paul Koltes are offering something new to North Tahoe's residents. Their ice cream freezing plant will go into operation very soon.

Mr. and Mrs. Clare Benjamin have reopened their Brockway Bakery. Although Mrs. Benjamin is recovering from major surgery, and will not be doing a large portion of the work, she will be there to greet friends. Andy Giordano, their Italian baker, is back on the job this year after a long tour of Italy and other parts of Europe visiting family and friends not seen for many years.

Mrs. Gerry Gordon is back on the job after a ten day visit with her parents in the bay area.

That smiling face belonging to Granny Miles is again seen in the cashier's cage at Tom and Theresa Sutton's Buckhorn Inn during the day shift while our equally witty and entertaining Alice Sorensen take scare of that division during evening hours.

Pauline and Nancy Smith are visiting with Pauline's brother, Preston Burroughs, in Fallon, Nevada, for a couple of weeks.

Everette and Virginia Mason and Mr. and Mrs. Al Bettencourt returned to their Silver Sands Resort in the latter part of May to make ready for the summer season's business. Everette is employed at Sacramento where he returned the first of this week.

WSCS will move its work day up one on Monday, June 11, to avoid conflict with the departure of delegates who will attend the annual Methodist conference in Stockton June 12. This work meeting will be held at the home of Joy Plunkett, Crystal Bay, Monday. Oh, yes, it'h a potluck dinner day too.

Mrs. Jay Hill is confined to St. Mary's Hospital in Reno seriously ill, though somewhat improved at latest report. Your friends wish you a speedy recovery, Mrs. Hill.

Mr. and Mrs. Mel Miller of the North Shore market have returned for the season and are getting ready to open their place.

Here'Tis drive-in is among those recently opened for the summer.

Mr. and Mrs. Orfritz, parents of Dorothy Haggeman, who will remain at Guam with doctor husband for the remainder of the year, are now completing the opening of Poco Beach, Haggemans' home, which has been rented for the season.

Bible Study Group met at the home of Mrs. Meredith Siple Tuesday of this week.

Mr. and Mrs. Herbert Brownell are up from the bay area for a week's visit with Herb's sister, Mrs. Frank Hale.

Mrs. Hazel Hansen is employed at Mrs. Joe King's dress shop for the season.

Mr. and Mrs. Fred Barton have returned to their Kings Beach home for the summer. The Bartons wintered at Santa Barbara where Fred was employed.

Stop and Shop has Johnny Bowman as its new butcher. Mr. and Mrs. Bowman have rented the Burch Cottage on Steelhead.

Ross Frank, manager of the Lake Tahoe Chamber of Commerce, with another member of the board, attended a Reno Chamber of Commerce luncheon at El Cortez Hotel on Tuesday. Frank is doing some wonderful work in the form of advertising Lake Tahoe and gaining the cooperation of the Reno chamber. Jim Jefferies, Reno chamber's public relations man, spent three days around the lake working with Frank mapping out a progressive program for the combined area.

Virginia and M. J. Leipertz, owner-operators of The Beachcombers, have a nice addition to their place in the form of a Danish pastry bakery which is keeping them busy.

A trip to Fallon, Nevada, Monday of this week makes me love Tahoe all the more.

Danish Hospital Ship Serves with UN in Korea

Denmark's contribution to the United Nations effort in Korea is the fully manned hospital ship "Jutlandia," formerly a passenger liner on the North Atlantic run. The ship, now in Korean waters caring for U.N. wounded personnel, has space for 300 patients and its staff of medical and administrative volunteers numbers one hundred. Here, Commodore Kai Hammerich, commander of the Danish ship (left), discusses his work with Admiral Sohn of the Korean Navy.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent, Truckee, California, on or before, and no later than, Friday, the 22nd day of June, at 5 p.m., for the purchase of kitchen equipment for the high school. Specifications are on file in the office of the Superintendent of Schools: at Truckee, California. Bids will be opened at 8 p.m. on Monday, the 2nd day of July at the office of the District Superintendent of Schools at Truckee, California.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of suitability and fitness of products offered.

Bidders are required to submit complete specifications for any and all items for which bids are offered and furnish a certified check in the amount of 10% of the bid to guarantee faithful performance of contract and delivery of equipment.

By order of the Governing Board Tahoe-Truckee Unified School District.

TRUCKEE SCOUTS RATE HIGH AT CAMPING SESSION

The 1951 Boy Scouts of America Tahoe Area Council Camporee was held over the weekend of June 2 and 3 at Bree's Dam, LaBarr Meadows, near Grass Valley.

Scout troops from all over the tri-county Tahoe Area Council back-packed into and camped within the Camporee area for the purpose of demonstrating camping abilities and skills of each troop. This gave the boys opportunities to exchange camping techniques and ideas.

The Camporee was held under the direction of the council's camping and activities commitee, together with Ray Ewan, Scout executive; Del Raby, field executive; and personnel of the Tahoe National Forest, who acted as observers and judges.

In addition to demonstrations of camping skills, each troop was given the opportunity to take part in the following activities.

District and council First-Aid-o-Rees, which consisted of first aid demonstrations; emergency mobilization activities; Saturday evening campfire program.

They could also compete for the following citations: Pioneer citation, campcraft citation, emergenservice citation.

Troop 7 of Truckee, sponsored by the local American Legion post, returned home with a Class A camping citation certificate for each patrol for proficiency in their camping ability as ai patrol unit and an honor troop ribbon for their ability to camp as a troop unit.

As a result of these two awards the troop was issued the President's Ribbon, which is the highest award a troop can receive in Scouting for its ability to camp and work as a team. Truckee troop was one of seven troops issued this award out of 20 troops participating at the Camporee. Nearly 300 boys and leaders took part.

These awards were issued on the basis of a troop receiving 430 or more points out of a possible 475. These points are based and earned on the troop's ability in patrol organization and leadership, food planning, cooking and service, campsite and sleeping arrangement, health, safety and sanitation, program, appearance, equipment and camping ability.

The Scouts attending the Camporee from Truckee Troop 7 were:

Pine Tree Patrol: Stanley Rasmussen, leader; Wilbur Conyers, Donald Metteer, Ronald Price and Glenn Sadocchi. Flying Eagle Patrol: George Gregory, leader; Donald Mattson, Joe Miller, Kenny Osburn and Eddie Rankin. Senior Patrol Leader Eddie Bottel and Scoutmaster Bill Bottel.

The Truckee Troop extends its thanks to Elmer Sadocchi for his wholehearted support in supplying the use of his truck for transportation to the Camporee, making it possible for the local boys to attend.

Participating troops included four from Grass Valley, three each from Auburn and Roseville, and one each from Penryn, Lincoln, Colfax, Foresthill, Nevada City, Downieville, Newcastle, Gold Flat, Truckee and Kings Beach.

Troop 31 of Kings Beach, led by Scoutmaster George Rutledge, came away with a participating award.

DRUNKEN DRIVING ON THE INCREASE GAUTSCHE REPORTS

The California Highway Patrol arrested 2,464 persons for drunk driving during the first four months of the year, an increase of 488 or 19.8 per cent over the 1,976 citations issued for that offense in the same period of 1950, it was reported by Patrolman William Gautsche, officer in charge of the Truckee station.

Drunken driving is a major cause of traffic accidents and fatalities, Gautsche pointed out.

"It has been demonstrated that even a minute amount of alcohol may impair a driver's judgment, reflexes and reaction time," the patrolman declared in a plea to drivers to turn down that drink if they are going to drive.

MORE FORDS

H. A. Wittich, Colfax Ford and Mercury dealer, reports the recent sale of a F-3 Ford truck to the Truckee-Tahoe Lumber Company and a six passenger Mercury club coupe to Isaac Peralta, Truckee.

ADVERTISE

BANK OF AMERICA WILL STICK TO SATURDAY SERVICE

President L. M. Giannini of the Bank of America today said he was much interested, naturally, to learn that a number of banks in California will indulge in Saturday closing. He expressed the belife that it is appropriate for them to do so if, in their pudgment, it is in the best interest of their institutions and the public they serve.

"On our part," he said, "we feel we are committed to the people to keep our offices open as usual on Saturdays so long as substantial demands for manking services on that day continue."

His views on the matter, Giannini pointed out, had been publicly stated on numerous occasions.

"I should like to repeat," he emphasized, "that as individuals we would be happy to be able to have Saturday off and I have no doubt, too, that our personnel problems would be lessened if we could feel we were unobligated and therefore in a position to close on Saturday.

"It may be that as a result of the exeprience of these other banks an effective program can be developed. On the other hand, if it appears that the public is substantially inconvenienced and makes increased demands upon the Bank of America offices for Saturday banking services, we cannot escape recognizing that the public requires such service."

He added that in these days of manpower shortage it would seem that a longer rather than a shorter work week would be the order of the day.

CAPTIVE DEER ARE POTENTIAL KILLERS FISH, GAME WARNS

Several examples of the danger of "adopting" apparently abandoned young deer have been cited by the division of fish and game this year to support its warning to California vacationists to "leave young wildlife where you find it."

Records show that one man was killed and several others injured by innocent appearing deer in California last year. The death of a Colusa County vacationer was caused by a four-year-old deer raised in captivity after its adoption as a fawn.

In rescuing two women hikers treed by a maddened Marin County deer for nine hours, a state game warden was painfully injured when the buck charged with lowered antlers. Reports of unprovoked attacks by "tame" deer are common.

A possible fine and jail sentence is another by-product of improper possession of fawns. State law permits jail sentences up to six months and fines to $500 for the offense, it is noted.

You can't tell a Toni from naturally curly hair!

You just can't tell a Toni wave from naturally curly hair. That's because Toni has the gentlest waving lotion known plus the new wonder neutralizer, Permafix.

Permafix is far more effective than old-fashioned neutralizers. It actually conditions your hair . . . leaves your wave silky-soft at first combing . . . makes your wave last far longer . . . look more natural. Come in and ask for new Toni with Permafix.

ANTLERLESS DEER SEASON O.K.'D IN GRASS VALLEY AREA

Final approval of a special hunting season on antlerless deer in Nevada County has been given by the California fish and game commission as the result of a public hearing held earlier in Grass Valley.

Severe losses to farm and orchard crops in the Grass Valley area caused local landowners to request the special hunt. No more than 350 antlerless deer will be removed during the last two weeks of the regular open hunting season.

Beginning at 9 a.m. September 10, permits will be sold for $1 each on a first come, first served basis at the Veterans Memorial Building in Grass Valley.

Declaration of the special season follows a year-long survey made in the area by game managers of the division of fish and game. The survey was requested by local sportsmen's groups and the Sacramento - Sierra Sportsmen's Council.

William J. Silva, fish and game commissioner who conducted the Grass Valley hearing, reported that farmers and sportsmen of the area were overwhelmingly in favor of reduction of the local deer herd.

Back at Tahoma—

William Haste has returned to Tahoma from Gardena.

TRUCKEE STATION HALTS MANY INCOMING PESTS

SACRAMENTO —(C. N. S.)— Bureau of plant quarantine inspectors at the state's 16 border stations intercepted 523 insects harmful to agriculture during April, the state department of agriculture reports.

Inspectors at Truckee station, principal entry point into northern California, found 79 pests in 355 lots of plant material.

Most important interceptions included the cotton boll weevil, European corn borer and the poplar clear-wing moth.

In early days, Marysville was at the head of river traffic to the mines.

LINDSAY WATER BILL IS BOTTLED UP IN SENATE COMMITTEE

by HENRY C. MacARTHUR
(Chief, Capitol News Service)

SACRAMENTO —(C. N. S.)— How the sixth assembly district represented by Francis Lindsay of Placer County will react to Lindsay's failure to get his bill creating a super Sierra Water Conservation District out of the senate committee on governmental efficiency and economy probably won't be known until the elections come around next year.

For it's almost certain that resentment against Lindsay, for a number of reasons, resulted in the virtual killing of the bill by a voice vote in the senate committee.

The matter of the Placer Soil Conservation District, which Lindsay headed after pushing through a bill two years ago for a million dollar revolving fund, almost half of which went to the Placer district, was tossed into the argument before the committee by Mrs. Theresa Lengyel, citizen from Georgetown.

Mrs. Lengyel told the committee the people of the two counties, El Dorado and Placer, were being told they would get "something wonderful for nothing", claimed Lindsay "cooked up" the deal for the seven dams with former state engineer Ed Hyatt, declared the people in her area "didn't like the promotion scheme", held the bill gave no assurance that Georgetown or any other areas desperately in need of domestic and irrigation water would get it, and declared that Lindsay planned to head the district.

It developed that plans were extant for a $150,000,000 bond issue to finance the series of seven dams on the upper reaches of the American River and tributaries, with the anticipated sale of power to the Pacific Gas and Electric Company planned for retirement of the bonds.

Contention of opponents of the measure was that insufficient study had been given the project to determine whether the power sales would retire the revenue bonds, without the issuance of general obligation bonds which would be almost ruinous to the tax structure of the two counties.

The measure was supported by boards of supervisors of both counties, who, according to a previous admission by Lindsay, paid him to handle the bill. Lindsay made a trip to Washington, D. C., to complete the filings on the dam sites.

Lindsay has been in "hot water" with the legislature ever since the startling disclosures were made more than a year ago concerning the Placer Soil Conservation District, which was under investigation by the grand jury, the state department of finance and the state soil conservation commission. Even the state controller looked into asserted duplicate claims made for Lindsay's expenses, as head of the district and as a state legislator.

While the matter of Lindsay's passing the vote on the Marin-Contra Costa Bridge, and thereby causing that bill to stay in committee, was not brought up at the water district bill hearing, nevertheless there was some resentment among senators supporting the bridge bill over the fact Lindsay refused to vote. The fact none of the senators immediately involved were on the committee hearing the water bill would make little difference over the resentment.

TAHOE WEATHER

TAHOE CITY— Generally clear if somewhat cooler weather predominated at Tahoe City for the week ending June 4, according to Observer A. E. Frodenberg. Daily high and low temperatures were as follows:

May 28th: 65, 39; 29th: 65, 37; 30th: 59, 32; 31st: 50, 28; June 1st: 53, 28; 2nd: 56, 28; 3rd: 62, 29; 4th: low 34.

The level of Lake Tahoe Monday morning was 6228.88.

Summer in Switzerland—

Mrs. Earl Walker of Santa Barbara plans to spend the summer in Switzerland, having sold her home at Lake Tahoe.

State of California, Department of Public Works, Division of Highways

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on June 27, 1951, at which time they will be publicly opened and read in the Assembly Room of said building, for constructing State Highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, between Flycaster's and Mystic (III-Nev-38-A,B) a net distance of about one and three-tenths (1.3) miles, roadway to be restored and surfaced with plant-mixed surfacing on crusher run base.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to the done to be as follows:

Classification	Rate per hour
Skilled Labor	
Asphalt plant engineer	$2.29
Concrete mixer operator (up to one yard)	1.94
Concrete mixer operator (over one yard)	2.24
Operator of power shovel and-or other excavating equipment with shovel-type controls (up to and including one yard)	2.44
Operator of power shovel and-or other excavating equipment with shovel-type controls (over one yard)	2.59
Painter (brush)	2.25
Power grader operator (power planer, motor patrol or any type power blade)	2.44
Roller operator	2.29
Spreading machine operator	2.29
Tractor operator	2.29
Truck driver (8 cubic yards and less than 14 cubic yards water level capacity)	1.85
Truck driver (14 cubic yards and less than 18 cubic yards water level capacity)	1.92
Truck driver (18 cubic yards water level capacity or more)	2.04
Intermediate Grade Labor	
Apprentice (oiler, fireman or watchman)	1.84
Blaster - powderman	1.90
Bootman	1.75
Boxman or mixer box operator (concrete or asphalt plant)	1.99
Fireman in hot plant	1.94
Operator of jackhammers - vibrators and all air, gas and electric tools	1.775
Truck driver (less than 4 cubic yards water level capacity)	1.58
Truck driver (4 cubic yards and less than 8 cubic yards water level capacity)	1.67
Unskilled Labor	
Flagman	1.55
Laborer	1.55

Positions not listed above will be allocated in accordance with the definitions which appear in the special provisions, as interpreted in the light of this classification.

The minimum wage paid to all skilled labor for which rates are not shown above shall be not less than $1.73 per hour.

The minimum wage paid to all intermediate labor for which rates are not shown above shall be not less than $1.58 per hour.

The minimum wage paid to all unskilled labor for which rates are not shown above shall be not less than $1.55 per hour.

Overtime - not less than one and one-half (1½) times the above rates.

Sundays and holidays - not less than one and one-half (1½) times the above rates.

The attention of bidders is directed to the fact that the work herein proposed to be done will be financed in whole or in part with Federal funds and that therefore all of the applicable Federal statutes, rules, and regulations will apply to such work.

The attention of bidders is particularly directed to the provisions of Section 7, article (a), subarticle (6), of the Standard Specifications regarding the use of domestic materials; to the provisions of Section 8, article (b), of the Standard Specifications regarding assignment of the contract; and to the requirements of the special provisions regarding subcontracting.

Plans may be seen, and forms of proposal, bonds, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, Californiai, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

SWANEE'S TAHOE LETTER

Tahoe City, June 3

Dear Tahoeites:

Another Sunday has rolled around and this one was a beautiful one with sunny skies and balmy breezes. Although the lake was not as smooth as it could have been a number of small boats ventured out and some success was reported.

Was saddened last week to learn of the tragic death of our former good neighbor, Dr. William H. Mayhew, 73, who with his wife owned and operated Ward Creek Cabins for some years past, the resort having formerly belonged to the Henry Wordens now of the bay area. Dr. Mayhew was killed while returning alone to the lake from Reno, his car crashing through a guard rail and down an 500 foot embankment into the Truckee River canyon below Hirschdale. He was a kindly man and a wonderful neighbor. The deepest sympathy is extended his wife and family.

More cards, folders and papers from the meandering C. O. Valentines over Hawaii way last week, their beautiful illustrations demonstrating fully just why folks go "overboard" under the spell of the tropical moon, singing sands and bowers f exotic flowers, to say nothing of the marvelous "eats" and entertainment. Guess by now they have returned to the everyday hum-drum existence of life in Costa Mesa, which may seem pretty good after all following their diet of strange foods and high living. And thanks, lady, for your thoughtfulness in taking me along on your tour via pictures.

Bud Scott, managing owner of the Lake Tahoe Boat Service, with offices at Tahoe Tavern, was notified on May 30 of the arrival of his beautiful 43-foot luxury express cruiser, The Tahoe, at Reno via rail. A small amount of damwas done to the boat on its trip down but repairs were quickly made and the task of preparing the craft for its official christening on Sunday, June 17, is continuing at the Tahoe Boat Company in Tahoe City by Oscar Quam. Several hundred invitations are being mailed to the owner's friend and business associates for the 2 p.m. ceremony. While it has not been definitely decided at this writing, it is probable that a member of the Pomin family will be given the honor of christening the newest lake craft to bear the honorable name of The Tahoe. Among those who will receive invitations to the gala affair are Governor Earl Warren of California and Governor Charles Russell of Nevada. Many other notables are expected to be among the assembled guests.

On Monday, Allan Grandstrom (who is accompanied by his wife), chairman of the jumping committee of the National Ski Association and a director of the NSA, from Seattle, was scheduled to make a tour of inspection of the Lake Tahoe Ski Club's jumping hill at Olympic Canyon where the local club will sponsor the 1952 National Junior Jumping championships on April 5 and 6. Looking over the hill briefly today, Grandstrom told Rustad that he did not believe any major changes would have to be made on the C jumping hill, which will be the one used by all four classes of junior contestants. The hill, he declared, is in excellent order but some enlanging of the judges' stand must be made and comfortable provision made for reporters who will cover the big event. The Olympic Hill was redesigned last year before snow fell, under Rustad's direction, to the tune of $564.50, which accounts for the small amount of work which must be done before the meet can be held. Regulations are strict and jumps must be kept under 100 feet. At the regular monthly meeting held at Tahoe Community hall on May 25, President Harold Young presided over a light attendance. Letters will be sent out to local resorts and business firms requesting donations toward a goal of $2,000 which will be held in reserve for staging the big meet. Boys entering competition must pay a hospitality fee of $12.50 and registration fee of $2.50 which will ease the cost of housing and feeding the contestants but will not cover all expenditures. It is hoped a generous attitude will be taken regarding contributions in order that Tahoe's first national meet may go down in history as one of the finest and most hospitable ever staged in the nation. The Grandstroms are guests of the Kjell Rustads during their Tahoe stay. Now that skiing seaosn is over, the Rustads have turned to their first love, their trim 24-foot sailboat, The Polaris. They were out for a spin in her yesterday and Rustad hopes to build up his training classes and chartered picnics this summer.

Speaking of skiing, Jimmie Baker received word from Walt Clemmons, chairman of the FWSA competition committee in Los Angeles, that he is now classified as an A class downhill and slalom racer. He was promoted because he accumulated 24 points in five or less sanctioned competitions in one season. Jim has competed in Class A jumping division for several years. Baker was over last Thursday from Reno where he is currently living and working.:

Imon Mitchell spent the weekend at the family home in Sunnyside from Marysville, where he is currently employed.

Harold Ambrosch of Glendale and his brother Dick of La Crescenda spent several days at Tahoe visiting old friends and doing a bit of fishing. They stayed at Meeks Bay during their brief vacation.

The Wes Donaldsons plan to open a restaurant at Mark and Julie's old stand at the Tahoe City wye. Mrs. D. will assist in operating the business and her husband will continue to cooperate with his partner in the Jenkinson Electric Company in the Kilner Building.

Once again the summer crowd is with us and every weekend sees larger and larger crowds lining the rail of the concrete bridge to feed and admire the large trout of various descriptions that make the water between the dam and the bridge their home.

Went to the show at Kings Beach on Wednesday last and had the good fortune to catch up with Cpl. Howard Carnell who was having his last night's fling before packing his suitcase for a return to Camp Pendleton at the end of his 30-day furlough. At least he can ride back in comfore in his spiffy yellow convertible and should not mind reassignment as he most likely will not be sent back to Korea, since he already put in ten months in that unhealthy country.

Am hoping to write my next Tahoe Letter from Tahoe City, for I am moving into town this week with the Bud Scott's who have taken a year's lease on the apartment over Jack & Dinty's Market. Hate to leave our good neighbors, the Ray Fellows, but it will be a distinct relief come next winter not to have to fight the snow on Dollar Hill. Am hoping our readers will remember yours truly from here on when there's news a'poppin and will give my telephone number as soon as it it installed. Please use same. Ring off for this week after sending along very best wishes to one and all. As ever, Swanee.

Like to be
Sitting Pretty?

You don't have to be "in the chips" to be sitting pretty these days. Chair Car seats on S.P.'s great new trains offer the best sitting there is, at the lowest rates around. You recline in luxurious ease, while the engineer drives you. (On long trips, leg rests provide a chaise-longue effect.)

Chair Cars on Southern Pacific's modern streamliners have been built with your comfort the first consideration. Dust-free, draft-free air-conditioning. No-glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Lots of leg room and move-around room. Extra large windows. Feather-touch doors. Spacious washrooms.

That's why Chair Cars on S. P. streamliners are the most luxurious form of all low-cost transportation.

"Some day I'm going to own a Roadmaster"

ONE thing that interests us mightily is the fact that so many people are stepping up, when they buy automobiles.

We've been looking at surveys, and it seems that just about everyone wants a better car than the one he's now driving.

So we know how you feel, and we'd like to help you make *your* dreams come true.

We'd like you to discover how fine a fine car can be.

We'd like you to stretch out in the room of a ROADMASTER—feel the luxury of its double-depth cushions—stroke the fine texture of its fabrics.

We'd like you to know the proud levelness of its ride—and its gentle obedience to your hand on the wheel.

We'd like to show you the many extras this custom-built Buick provides — at no extra charge when we come to make out a bill of sale.

But above all, we'd like you to experience two thrills found exclusively in ROADMASTERS.

One is the smooth might of its Fireball Engine. The other is the supreme simplicity of Dynaflow Drive, which is, incidentally, one of the many features included in the price.

We try to hold down our enthusiasm in talking about this masterful beauty.

We might claim — you'll find *more* room — *more* comfort — *more* luxury — a *smoother* ride — *more* conveniences — *more* thrill in a ROADMASTER than in any other car in the fine-car field.

But why spoil the thrill of discovery? Come find out for yourself how completely a 1951 ROADMASTER fulfills the dreams of the car you hope sometime to own.

And let us whisper something to you: The cost of making this step to ROADMASTER ownership is less than most people believe.

Equipment, accessories, trim and models are subject to change without notice.

PROCEEDINGS OF THE BOARD OF SUPERVISORS FOR THE MONTH OF JUNE, 1951.

The regular monthly meeting of the Board convened at 10 o'clock A. M. The meeting was called to order by Chairman H. G. Loehr, and, upon roll call, all the members were noted present. The minutes of May 15th and May 16th were read by the Clerk, and, no errors or ommissions being noted, were ordered adopted as read.

Letters of resignation were read from County Employees. Mrs. Hazel Fredricksen, a supervisor of the Welfare Department, resigned on the ground that there was not sufficient work in the department to keep her busy; and Mrs. Utona J. Trauner, 2nd Assistant Veterans Service Officer, to accept a position in the office of the Weimar Joint Sanatorium. Both resignations were accepted with regret by the Board. It was decided to postpone the appointment of a successor to Mrs. Trauner until the pubilc had been informed and to give anyone interested in making an application a chance to file it with the Clerk.

The Board received a letter from the Nevada County Planning Commission wherein a petition to annex a piece of road approximately 800 feet long to the County road system was approved. This piece of road extends from Highway 20 and connects with the County Road in the Willow Valley section.

A letter was read to the Board by the Clerk from the U. S. Department of Commerce, Bureau of Foreign and Domestic Commerce Field Service, wherein it was stated that the petition of the Board of Supervisors for a permit to erect a Veterans Memorial Building in Nevada City has been denied under Section 71.11 of Order M-4. The Chairman of the Board appointed Supervisor C. J. Tobiassen to make a further study of the situation to see whether any additional facts might be found which would justify an application to reconsider the decision. Mr. Tobiassen is to report to the Board within 30 days.

On motion duly made, seconded and carried, it is ordered that the Board acquire one caterpillar diesel D8800 electric set for auxiliary power at the County Hospital, for a total price of $10,378.93.

The Board reappointed Mrs. Rose Beck and Mrs. Mary Warnecke to terms on the County Board of Education, said terms expiring June 30, 1953.

Walter A. Carlson requested new lighting fixtures in the office of the County Superintendent of Schools and was informed that same would be considered when the courthouse budget was considered.

The following transfers were ordered made in proper form:

$375.00 to the Salary & Wages budget of the District Attorney from the maintenance and operation budget; $159.65 to the Sheriff capital outlay budget from the maintenance and operation budget; $125.37 from the fire and burglary insurance fund to the Liability insurance budget; $1956.20 from the Hospital maintenance to the Hospital capital outlay fund.

On motion duly made, seconded and carried, it is ordered that the sum of $10,000.00 be transferred from the General Road Fund to the Special Road Improvement Fund.

The Board adopted a resolution authorizing the Purchasing Agent to sell one tractor trailer as junk and upon motion duly made, seconded and carried, ordered the proceeds ($50.00) transferred from the General fund to the Special road improvement fund.

Ordered the following sums added to the budget: Code 561-S $2666.50; 561-M $88.22; and 561-C $7119.52.

The monthly bills were presented by the Audtior, and, after examination by the Board, the following were authorized for payment:

GENERAL FUND, Warrants Nos. 16023 to 17543 ..... $125,451.74
VET'S BLDG. FUND, Warrants Nos. 130 to 147 1,672.95
SPEC. ROAD IMP. FUND, Warrants Nos. 1266 to 1385, 27,041.23

Sheriff Brown appeared before the Board and stated that the California Highway Patrol was changing their radio hook-up and as a result it would compel the County of Nevada to buy all new radio equipment in the Sheriff's office. This will entail an expenditure approximating $5000.00. The Sheriff was instructed to get more details concerning this matter and report back to the Board prior to budget time.

Mr. Stanley Halls and Mr. John A. Brown appeared pursuant to appointment and further went into the matter of their respective fire insurance proposals for the County. The matter of which proposal to accept was taken under advisement by the Board.

At the request of the County Assessor, the Board authorized the Auditor to cancel taxes on property which had been erroneously assessed as follows: Property assessed to the Donner Lake Development Company described as follows: Ely 69.07 ft. fronting on Highway 40 of Lot 22 of Donner Pines Tract; Property assessed to Oscar Tamm described as follows: NE¼ of Section 4, Township 16 North, Range 9 East; and Property assessed to Warren Raddatz described as follows: E½ of NW¼-SW¼ of NE¼ and NW¼ of SE¼ of Section 12, Township 17 North, Range 12 East.

Miss Florence Nelson, Business Representative of the Hospital Workers Union No. 123, appeared before the Board with a proposed working agreement between the County Hospital and the Hospital Worker's Union which was read in full to the Board by the Clerk. It appearing from the contents of the proposal that the Board does not have sufficient time this date to go over it in detail, it was decided to postpone the hearing to June 5th, 1951, at 2 o'clock P.M.

Mrs. Doris Foley and Mrs. Isabel Hefelfinger requested the Board to appropriate the same sum as last year ($700.00) for the purpose of helping out the Nevada County Historical Society. They were informed that the matter would receive proper attention when the budget was discussed.

On motion duly made, seconded and carried, the Chairman and Clerk were authorized to execute an agreement between the County of Nevada and James Sherritt for the rental of his building in Truckee for the sum of $60.00 per month for office space for the Justice of the Peace of Meadow Lake Township. Said agreement is for three years with option to lease for an additional three years.

The Board denied a request of the Welfare Director to transfer the intake investigations of patients admitted to the County Hospital to the Hospital staff.

The Board authorized Mr. David Prudhomme, a case worker in the Welfare Department, to go to San Jose to attend a meeting of Welfare Workers on June 4th, 5th and 6th.

On motion duly made, seconded and carried, it is ordered that the proceedings of the Board for the month of June be published in THE SIERRA SUN.

The Board passed a resolution for the refund of $3448.27 for money expended on the Beckman Hill-Newtown Road which was damaged by freezing and snow conditions during the winter. Said refund to come from the State of California from money which was set up in the State Treasury for that purpose by the Legislature and known as the Construction and Employment Act.

The hour of recess having arrived, the Board adjourned until Tuesday, June 5th, 1951, at 10 o'clock A.M.

R. E. DEEBLE
County Clerk and Ex-Officio Clerk of the Board of Supervisors. je7

VIKING WOMEN VICTORS AT LATE SKI MEET

Nine San Francisco Viking Ski Club members followed the snow from their colorful ski hut atop Donner Summit to compete in the Stockton Ski Club's third annual ski meet at Sonora Pass late last month.

Top honors went to Vikings Jean Kerr (first place in Women's Class B event), Ruth Griffin (first place in women's class C event) and Blanche McKee (first place in women's guest slalom.

Cheering the Viking girls on were Bob Anderson, Curt Hardie, Bob Griffith, Larry Dangel, Walter Kienzi and Roy Stenmark.

The group camped at Chipmunk Flat, five miles below the Sonora Pass. Saturday evening they enjyoed spontaneous entertainment around a huge campfire with many other Donner Summit skiers.

Dick Buek, member of the U. S. Olympic Ski Team and resident of Donner Summit, scored the best time of the day.

State Legislators Reject Vet's Bonus Proposal

SACRAMENTO —(C. N. S.)— The assembly ways and means committee hus put thumbs down on a measure for a $350,000,000 veterans bonus, proposed by Assemblyman William H. Rosenthal. Had it been adopted, the measure would have provided a bonus up to $500 for 1,500,000 veterans of the Korean War and World War II.

LOCAL, NORTH LAKE WOMEN GOING TO METHODIST MEETING

The Right Rev. Karl Morgan Block, bishop of the California diocese of the Protestant Episcopal Church, will lift up the growing spirit of cooperation among all churches when he addresses the California-Nevada conference of the Methodist Church, it was announced this week by Rev. A. A. Carmitchel of the Truckee Community Methodist Church. The conference convenes in Stockton on the campus of the College of the Pacific on June 12. Bishop Block is a former president of the Northern California-Western Nevada council of churches, the Protestant agency for united endeavor.

Dr. Elliott L. Fisher of New York, director of home missions, will share platform responsibilities with Bishop Block.

The Stockton sessions mark the 102nd annual conference since Methodist work was begun in California. Pastors and lay delegates from over 300 churches will attend the annual meeting.

Mrs. C. B. Crampton will represent the Truckee Community Methodist Church and Mrs. Jack Judy the Kings Beach Community Methodist Church as lay delegates at the annual conference. Rev. Carmitchel, pastor of both local churches, will be at the conference also.

Bishop Donald H. Tippett of the San Francisco area will preside. One of the items of business will be the election of delegates to the General Conference which will meet in San Francisco in May, 1952. This is a quadrennial conference and will bring together over 7,000 persons from all parts of the world.

Going Fishing—

C. F. Edwards of Beverly Hills and former Lake Tahoe resort owner writes that he will spend a month fishing in Colorado and at Jackson Hole.

Move from Reno—

Mrs. Joseph Facha, formerly of Lake Tahoe, has written that they are moving from Reno to Downey.

UNUSUAL HOBBIES SHOWING SET AT FESTIVAL AT TAHOE

Visitors to the Hobby Festival, scheduled for July 20, 21 and 22 at Tahoe City, will see a variety of hobbies they never knew existed.

Here's one, for example. O. D. Houser of Graeagle, Calif., is going to display a collection of bullets taken from lumber at the box factory of the Graeagle Lumber Company. Houser says, "I have been over 13 years collecting these bullets. They have all been taken from lumber which goes through the box factory. I always wondered when one was fired, who fired it, whether at some game or a target and from what kind of a gun. To most people they mean nothing, but to me it is a hobby."

And here is a "must see" — a masterpiece of intricate craftsmanship and the story back of it reads like a Jack London story. Donald "Mac" MacDonald of Tahoe City has built a four-foot model of the four-masted barque California, on which he served as Royal Boy at the age of 15, after running awawy from an orphanage. The Royla Boy's duty was to climb to the mast tops and to reef or set the topmost sail — the royal — in fair weather or foul. He first sailed from Boston to Iceland and thence to England.

The full-rigged model is ribbed and planked and double hulled. Her 39 frames, keel, braces, masts and yards are of white oak. Outside plankings and cabins are of one-eighth inch ship lapped mahogany. All fittings with the exception of anchors, chain and airports were made by "Mac" himself in his amazingly complete workshop. This model took his 3840 hours of actual working time.

And there'll be demonstrations galore — hobbyists at work.

FIVE HARD YEARS

The first trans-Sierra railroad from California eastward was commenced in 1864 and completed in 1869.

Black Butte, 7450 feet, is the highest point in Glenn County.

HIGHWAY BIDS LET BY STATE FOR SOUTH TAHOE AREA

SACRAMENTO —(C. N. S.)— Three highway contracts in ElDorado County were awarded by the state division of highways recently, C. H. Purcell, director of the w-pwdbnptucA e1b(tseaeaMi-.dre state department of public works, announced.

The contracts are:

For repairing bridges across Trout Creek and the Upper Truckee River three miles west of Bijou and grading and surfacing detours on U. S. 50, H. W. Ruby, Sacramento, $43,544.80.

For constructing a reinforced concrete bridge at Echo Creek on Sign Route 89 about .3 mile south of its junction with U. S. 50, H. W. Ruby, Sacramento, $43,475.50.

For stockpiling mineral aggregate at various locations on U. S. 50 between 2.5 miles west of Riverton and Strawberry, Liston Ehorn, Red Bluff, $36,365.

Order Lower Level for Tahoe Following Conference In Reno

RENO— Members of the Lake Tahoe Conference Committee agreed unanimously here Tuesday to lower the level of Lake Tahoe, possibly six inches during the coming month, in order to protect lakeshore properties from the ravages of windswept water.

The decision to release additional vast quantities of water from the lake followed protests from property owners, who complained that the present high level of 6228.88 feet was causing damage to piers, beaches and septic systems.

Although the lake is at its highest point in years, it is still 2½ inches below the legal limit of 6229.1 feet.

Fearful of Level

Tahoe property owners were reportedly fearful that the level of the lake might be permitted to rise over the stipulated level this year, especially if heavy rains should occur, and also feared if such condition should arise, the outlet at Tahoe City could not bring the level down to the stipulated elevation.

The elevation is now close to this level. In recent years several homes have been built at Lake Tahoe, some of them rather close to the beach.

The conference admitted the water level was too high but also pointed out that much of the damage has been caused because property owners are developing property without knowledge of the legal limit.

In the announcement which followed the closed meeting, they said it is "imeprative that some method be evolved to adequately inform landowners.....as to legal aspects of the regulation of lake levels, so that mistakes in the elevation of installations may be avoided."

Methods of spreading this information will be studied by the conference committee, which will meet again in a month or so.

Named by Governors

The Lake Tahoe Conference Commttee is a special interstate group appointed by the governors of California and Nevada. Col. A. M. Barton, Sacramento, chief engineer of the California reclamation bureau, is chairman. Other members are George Devore, Reno, vice president of Sierra Pacific Power Co.; William Bliss, Glenbrook; James Johnson, Fallon; George Kehlet, Meeks Bay; H. O. Comstock, Brockway; Charles Young, Bijou.

Meeting with the committee on Tuesday were representatives of Sierra Pacific, Washoe County Conservation District and Truckee-Carson Irrigation District.

Just as there has been a court decree governing the level at which the lake may be maintained, there is a legal limit to the amount of water which may be released from the lake at a given time. Hence, the lowering of Tahoe must be conducted within the prescribed limitations.

Col. Barton said, "We plan to release water as fast as we can under terms of the court decree, and we expect to see the level lowered considerable by the end of this month, possibly by six inches."

Seventeen Outlets

There are 17 outlets from the lake, but Devore said it would be impossible to open all of them at once, because of the damage to ranches, farms and even highways which would result along the Truckee River.

In comparison with the present level of 6228.88 feet, the all-time recorded high mark at the lake was reached in 1907 when the water reached 6321.26 feet. Few properties were developed at that time, however.

During the last 50 years, discharge from the lake has ranged from as little as 76 acre feet to as much as 704,400 acre feet, the latter flow having been reached in 1907.

The condition this year was brought about by heavy precipitation during the winter. The runoff has exceeded snow survey estimates.

Last Rites in Oakland For Dr. Mayhew

OAKLAND— Funeral services were held last Thursday for Dr. William Horace Mayhew, retired Oakland dentist and recent operator of a Lake Tahoe resort, who was killed in an automobile accident near Hirschdale May 29.

Dr. Mayhew operated the resort at Ward Creek, Lake Tahoe, since his retirement 18 years ago. Prior to that, he practiced dentistry in Oakland and later became president of the Western Casket Company. He was credited with fathering the community chest idea here and served as president of the chamber of commerce and local Rotary Club.

He leaves his wife, Mary Manseau; daughters, Barbara of Lake Tahoe and Mrs. Gordon Moyer of Live Oak, and a sister, Mrs. Harris S. Allen of Larkspur.

ENGINEER PASSES

Requiem Mass was said in Sacramento for Edgar A. O'Brien, 71, retired Southern Pacific engineer, who died in a Woodland hospital Saturday. He went to work for the SP as a young man in Sacramento in the shops. Later becoming a fireman and engineer between Sacramento and Sparks. For the last three of his 51 years with the SP he was pilot of the City of San Francisco.

Motor Vehicle Executives Make Trip to Tahoe

Delegates to the 18th annual conference of Region No. 4, American Association of Motor Vehicle Administrators made a trip to Lake Tahoe and Cal - Neva Lodge yesterday. They were guests of Pacific Greyhound Lines on the tour.

The visit came at the end of the conference held this week at the Maps Hotel in Reno. Following the Tahoe outing, the motor vehicle administrators returned to their homes throughout the ten western states.

The College of the Pacific at Stockton was founded one hundred years ago.

IS YOUR CAR IN SHAPE FOR SUMMER DRIVING?

The long winter has taken its toll on your car. Your ear alone — listening to the squeaks, grinding and rattles as you drive — can tell you that some expert attention is needed and QUICK.

Bring your car in now for a complete summer check-up. We'll go over it carefully from bumper to bumper and report to you exactly what work is needed.

Tahoe-Sierra Directors At Reno Conferences

Directors of the Lake Tahoe-Sierra Association were guests of the Reno Chamber of Commerce at a luncheon meeting at the Trocadero in Reno on Tuesday where problems of mutual interest were discussed.

Later George Kehlet of Meeks Bay and Harry Comstock, Brockway, attended a meeting with officials of the Sierra Pacific Power Company and the Truckee-Carson Irrigation District relative to water levels at Lake Tahoe. Results of this meeting will found elsewhere in this issue of the Sun.

Kehlet and Comstock were recently appointed as members of the Lake Tahoe Water Authority by Governor Earl Warren.

Both meetings were designed to create a better understanding and closer cooperation between neighboring organizations.

Pace Guests—

Mr. and Mrs. Tony Pace had as their recent guests, Mr. and Mrs. Frank Giannandrea of San Bruno and expect to have Miss Katherine McWilliams and Mrs. Mary Carrau of San Francisco and Mr. and Mrs. George Walley of Marysville attend the graduation of their daughter, Sharon Pace, during the coming weekend.

BRIDE - ELECT IS HONORED AT TWO PARTIES JUNE 2

Two bridal showers were given on Saturday, June 2, complimenting Miss Irene Oetjen, who will become the bride of James Leamon in July.

Mrs. Carl Miescke gave a luncheon in her home at Boca and the guest of honor was presented with gifts for their future home. Those invited were Miss Virginia Angelo Mesdames W. C. Gage, Lawrence Frey, Arthur Eve, and Lynn Kishbaugh.

Mrs. Omar Alexander and Mrs. Francis Kamp were hostesses at a miscellaneous shower that evening, in the home of the latter. The feted guest opened gifts, games appropriate for the affair were played and later refreshments were served, including a cake decorated with the names of the betrothed. The guest list included Mesdames Fred Pedley, Laurer Russell, Hugh Weinand, Heslip Cardinal, John Street, Robert Leamon, Walter Barrett, Lloyd Everett, Clifton Ellis, James Walker, Paul Archer, Harvey Hocker, Wayne Philippi, Harold Langille, Jack Ellis, Frank Giovannoni, John Gracik, George Kamp, David Rose, Douglas Barrett, Kenneth Hedlund and Loren Ferdinand.

Cards were played in the home of Omar Alexander the same evening with John Street, Robert Leamon and James Leamon, the future benedict, as guests.

Officers Check Story Of Admitted Deserter

Truckee officers have asked the Federal Bureau of Investigation to check on the story of William Allison, 35, who claims he deserted from the army at Fort Hood, Texas, on November 18, 1950.

Allison, according to Constable N. F. Dolley, went to the home of Justice of the Peace F. W. Wilson Sunday night and asked to be taken into custody following a disagreement with his wife. Wilson called Deputy Sheriff Wesley Fair and Allison's wish was fulfilled. The prisoner gave his home address as Springfield, Mo.

Visits at Bay—

Mrs. Joe Straub was a bay district visitor last week.

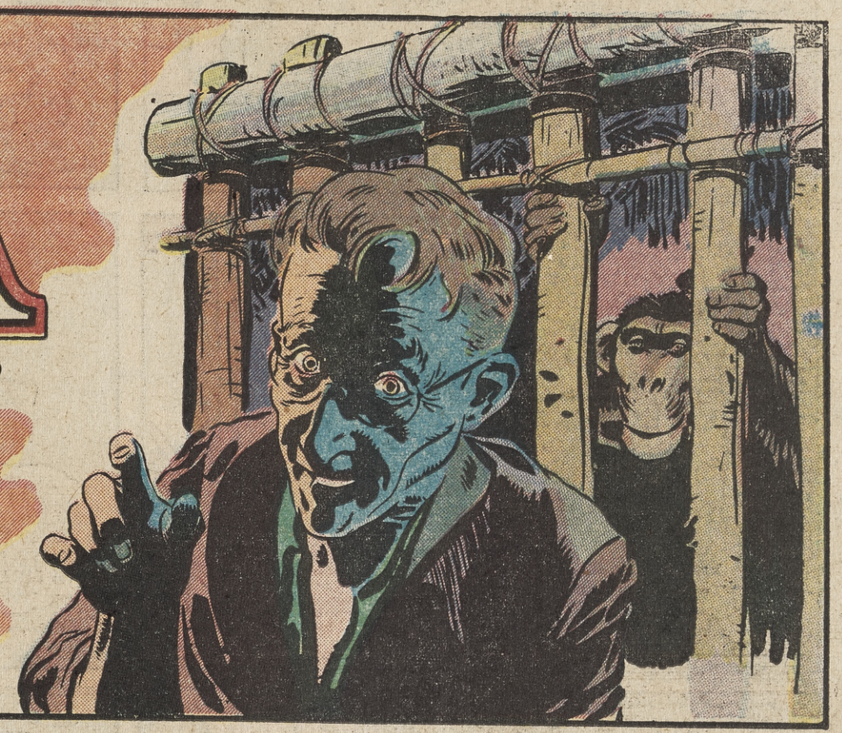
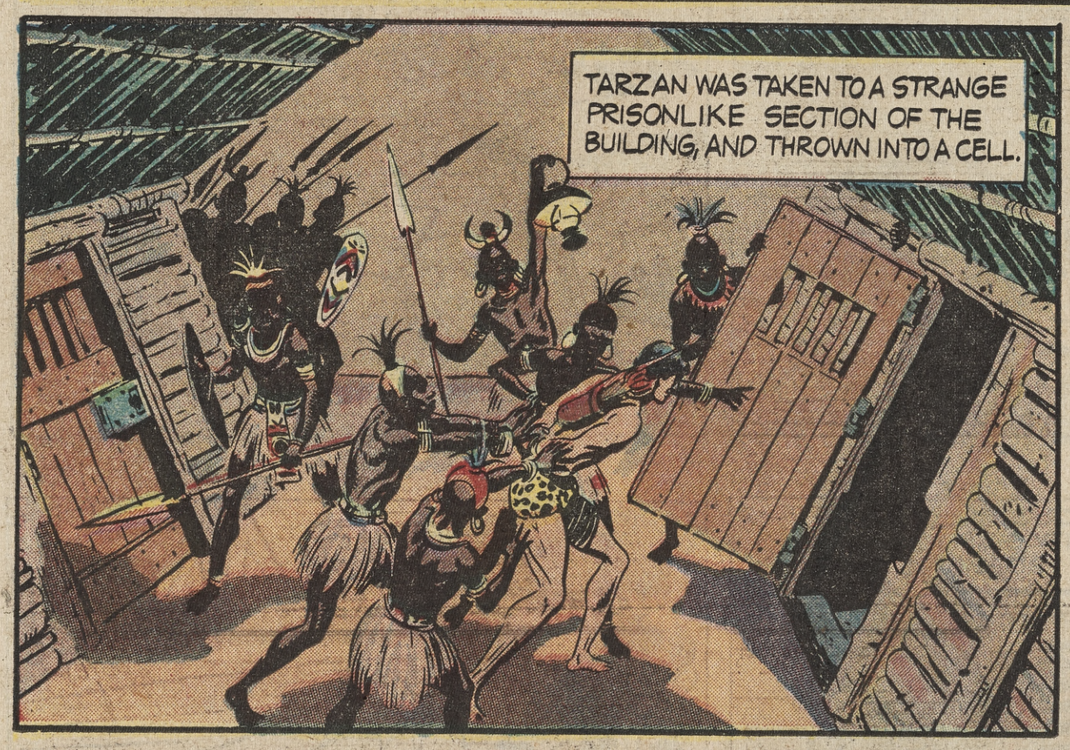
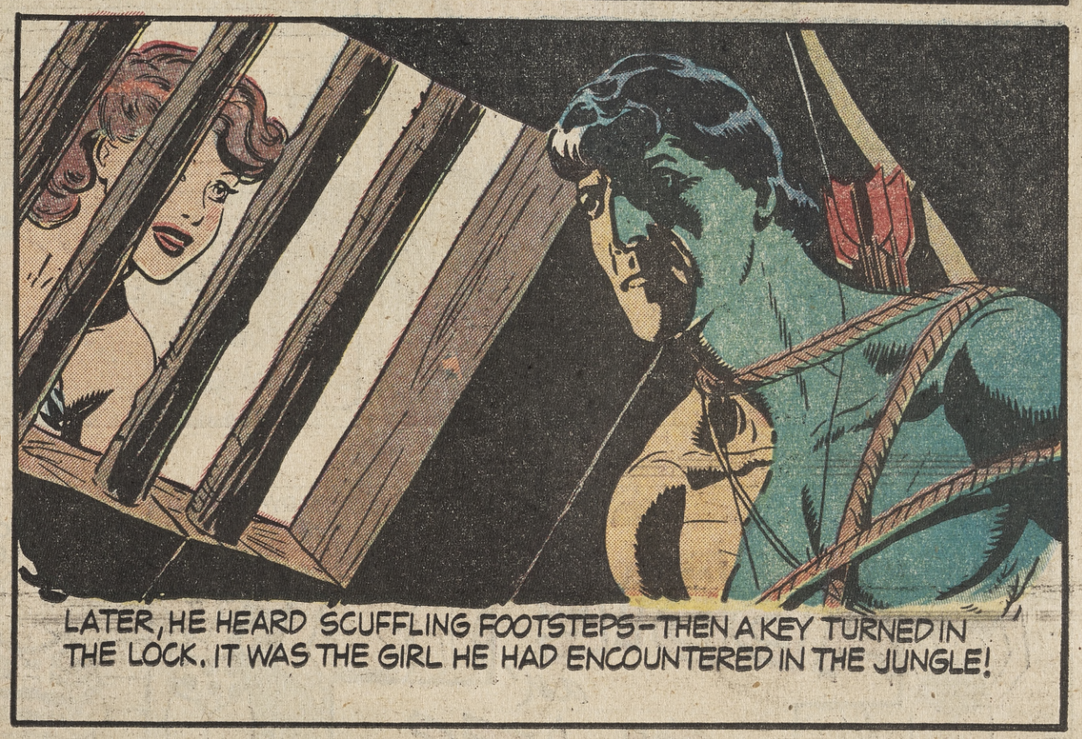
Tarzan

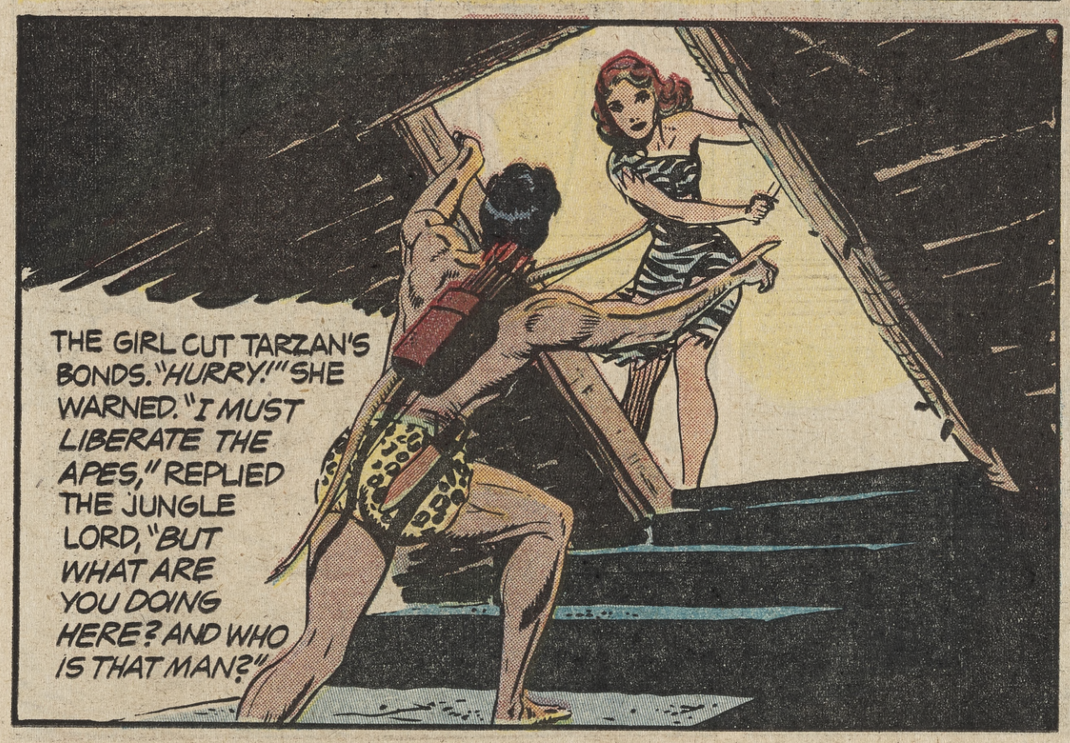
by EDGAR RICE BURROUGHS®

FURIOUS AT THE INTRUSION OF THE APE-MAN, THE SCIENTIST ORDERED HIM PUT AWAY. "TOMORROW," SAID THE OLD MAN, "IT WILL DESTROY YOU!"

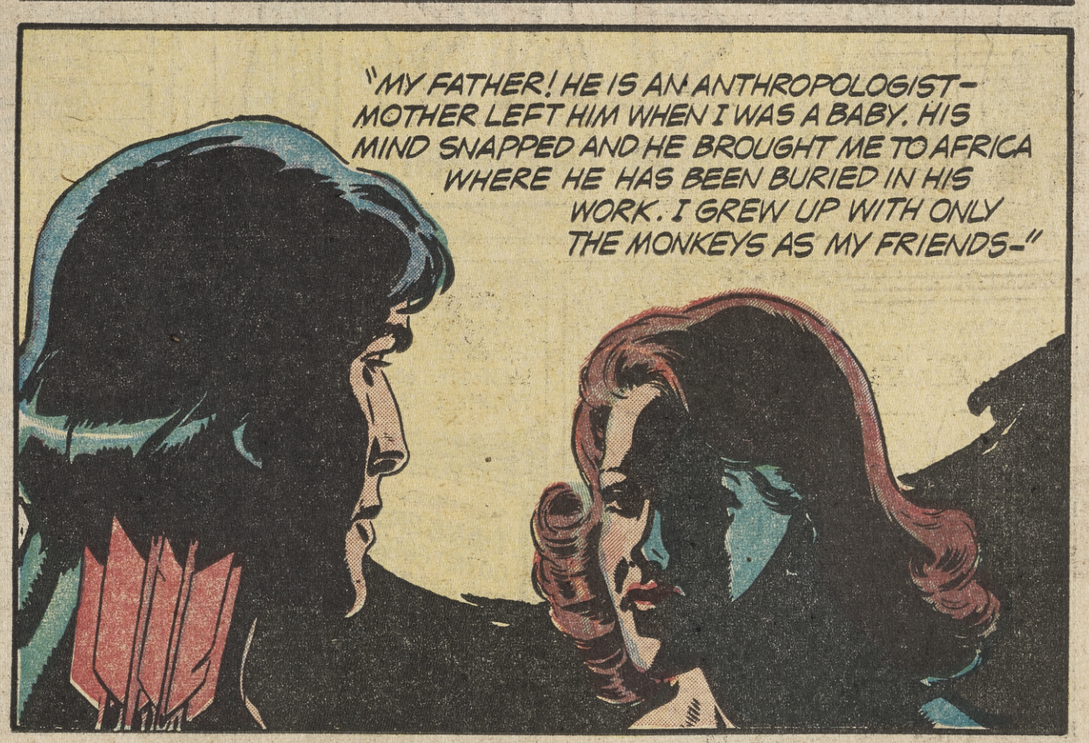






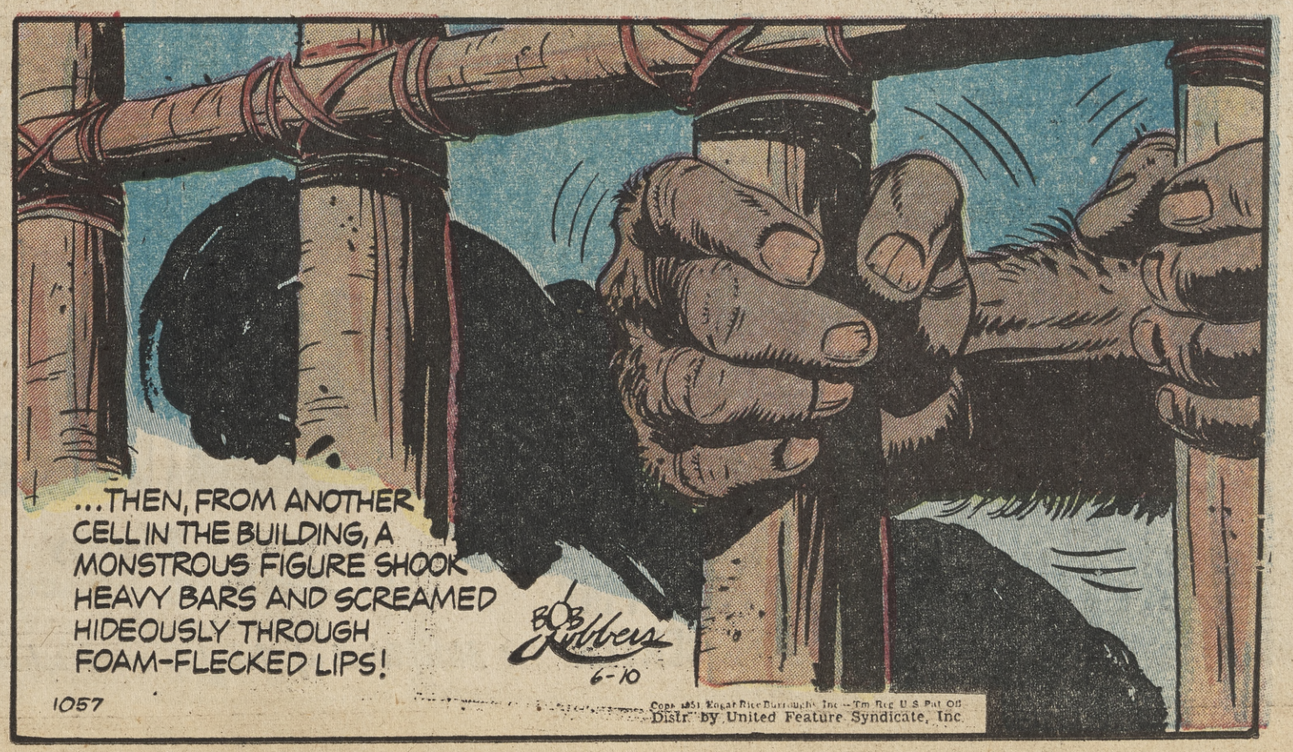


THE GIRL CUT TARZAN'S BONDS. "HURRY!" SHE WARNED. "I MUST LIBERATE THE APES," REPLIED THE JUNGLE LORD, "BUT WHAT ARE YOU DOING HERE? AND WHO IS THAT MAN?"



"MY FATHER! HE IS AN ANTHROPOLOGIST—MOTHER LEFT HIM WHEN I WAS A BABY. HIS MIND SNAPPED AND HE BROUGHT ME TO AFRICA WHERE HE HAS BEEN BURIED IN HIS WORK. I GREW UP WITH ONLY THE MONKEYS AS MY FRIENDS—"

"WHAT ABOUT 'IT'?" ASKED TARZAN. SHE SHUDDERED. "A HORRIBLE EXPERIMENT--SOMETHING--ALIVE!" THEN, FRIGHTENED BY HER OWN WORDS, SHE SLIPPED AWAY.



...THEN, FROM ANOTHER CELL IN THE BUILDING, A MONSTROUS FIGURE SHOOK HEAVY BARS AND SCREAMED HIDEOUSLY THROUGH FOAM-FLECKED LIPS!
